SPECIFIC POWER OF ATTORNEY BY A
CORPORATION FOR THE COLLECTION
OF A SPECIFIED CHECK DRAWN ON THE
UNITED STATES TREASURY

INSTRUCTIONS FOR FISCAL SERVICE FORM 236 - READ CAREFULLY
SEE 31 CFR Part 240 for more information

1. A specific power of attorney on this form may be executed by a corporation to confer authority to endorse and collect checks drawn on the United States Treasury to cover a specific check, after such check is issued, for any class of payment.
- 2(a). Where desirable or where required by foreign, state or local law this power of attorney should be acknowledged by the grantor in the presence of two attesting witnesses, and should be acknowledged before a notary public or other officer authorized by law to administer oaths generally. If in a foreign country, the acknowledgment should be made before a United States diplomatic or consular representative. If such an officer is not available, it may be acknowledged before a notary or other officer authorized to administer oaths, but his official character and jurisdiction must be certified by a United States diplomatic or consular officer, under the seal of his office.
- 2(b). Where power of attorney is acknowledged pursuant to paragraph 2(a), the seal of the attesting officer must always be impressed (or stamped) provided, however, that where acknowledgments before a notary public, or other officer authorized by law to administer oaths, are not thus authenticated by the official impression seal of such officer, the power should be accompanied by a certificate from the proper official showing that the officer was in commission on the date of acknowledgment. The date when the officer's commission expires should appear in any event. If a certificate is furnished, such certificate should show the date of the beginning and expiration of the officer's commission, and such period of commission should include the date of acknowledgment of the power.
3. This power of attorney may be revoked by notice from the grantor to the parties concerned. Notice of revocation to the Treasury will not ordinarily serve to revoke the power.
4. The authority of the officer of the corporation to act in its behalf should be shown by appropriate resolution of the governing body of the corporation, preferably using FS Form 235.
5. If it is desired that checks be mailed to the attorney instead of to the payee, formal notice of change in the post-office address, identifying the checks affected, should be forwarded to the administrative office that authorized issuance of the checks.
6. POWERS OF ATTORNEY NEED NOT BE FILED WITH THE UNITED STATES TREASURY.
