Small Business Administration New Privacy Act Systems of Records; Narrative Statement Privacy Act System of Records SBA 35; Non-Employment Related Background Checks

A. Narrative Statement

1. The Small Business Administration (SBA) is adding a new system of records to the Agency's Privacy Act Systems of Records. The new system is entitled "Non-Employment Related Background Checks." The system consists of records that maintain information about applicants for SBA loans or other assistance or recognition, including application forms, such as SBA Form 912 and related fingerprint cards, criminal history and other records checks and correspondence concerning background. The system is maintained by SBA's Office of the Inspector General in both electronic and paper formats.

2. Refer to the following citations: 5 U.S.C. App. 3 (The Inspector General Act of 1978, *as amended*); 15 U.S.C. Chapters 14A and 14B, and 44 U.S.C. 3101.

3. The effect on the individual will be minimal. The information contained in the System will be viewed only by Agency personnel, contractors, experts, consultants or volunteers in the line of their official duties. These individuals must comply with the requirements of the PA of 1974, as amended, pursuant to 5 U.S.C. 552a(m). Any potential disclosures outside of the Agency will be in compliance with the routine uses of the System and will only be to individuals with a need to know.

4. Access and use of the records will be limited to specified individuals with official need to know. Records will be stored in locked file cabinets and all computers containing these records are protected by password and user identification codes. In addition, records in this system of records are exempt from the application of all provisions of section 552a except sections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), (11), and (i).

5. The new proposed category of records use satisfies the compatibility requirement of subsection (a)(4) of the Act as the FOI/PA Tracking System is a "collection, or grouping of information about an individual that is maintained by an agency" and "contains his name, or the identifying number, symbol, or other identifying particular assigned to the individual."

6. This is an internal information collection. The Agency deems the OMB approved information collection requirements unnecessary.

Small Business Administration New Privacy Act Systems of Records; Narrative Statement Privacy Act System of Records SBA 36; Suspension and Debarment Files

B. Narrative Statement

1. The Small Business Administration (SBA) is adding a new system of records to the Agency's Privacy Act Systems of Records. The new system is entitled "Suspension and Debarment Files." The system consists of records that maintain information. Records consist of materials compiled from investigations and/or audits which identify violations which may be cause for suspension or debarment pursuant to the Federal Acquisition Regulations or the government-wide non-procurement suspension and debarment regulations. These materials include indictments, information, plea agreements, judgments, loan agreements, contract documents, etc., that pertain to an individual's or entity's participation in government contracts, SBA loan programs, and other SBA assistance.

2. Refer to the following citations: 5 U.S.C. App. 3 (the Inspector General Act of 1978, *as amended*); 15 U.S.C. Chapters 14A and 14B; and 44 U.S.C. 3101; 48 CFR Subpart 9.4 (procurement); 2 CFR Parts 180 and 2700 (non-procurement), and Executive Orders 12549 and 12682.

3. The effect on the individual will be minimal. The information contained in the System will be viewed only by Agency personnel, contractors, experts, consultants or volunteers in the line of their official duties. These individuals must comply with the requirements of the PA of 1974, as amended, pursuant to 5 U.S.C. 552a(m). Any potential disclosures outside of the Agency will be in compliance with the routine uses of the System and will only be to individuals with a need to know. Pursuant to 5 U.S.C. 552a(j)(2), this system of records is exempt from the application of all provisions of section 552a except sections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), (11), and (i), and pursuant to 5 U.S.C. § 552(a)(k)(2) and (k)(5).

4. Access and use of the records will be limited to specified individuals with official need to know. Records will be stored in locked file cabinets and all computers containing these records are protected by password and user identification codes.

5. The new proposed category of records use satisfies the compatibility requirement of subsection (a)(4) of the Act as the FOI/PA Tracking System is a "collection, or grouping of information about an individual that is maintained by an agency" and "contains his name, or the identifying number, symbol, or other identifying particular assigned to the individual."

6. This is an internal information collection. The Agency deems the OMB approved information collection requirements unnecessary.
