Community Development Financial Institutions Fund

Notice of Funds Availability (NOFA) Inviting Applications for the Community Development Financial Institutions Program (CDFI Program) FY 2014 Funding Round (FY 2014 Funding Round)

Announcement Type: Announcement of funding opportunity.

Catalog of Federal Domestic Assistance (CFDA) Number: 21.020.

DATES: Applications for Financial Assistance (FA) or Technical Assistance (TA) awards through the CDFI Program FY 2014 Funding Round must be received by midnight, Eastern Time (ET), December 23, 2013.

Executive Summary: Subject to funding availability, this NOFA is issued in connection with the CDFI Program FY 2014 Funding Round, administered by the Community Development Financial Institutions Fund (CDFI Fund).

I. Funding Opportunity Description

A. Award Requirements: Subject to funding availability, the CDFI Fund makes FA awards and TA grants through the CDFI Program to entities that meet the requirements set forth in this NOFA. FA awards will be made to Certified CDFIs that meet the FA requirements; TA grants will be made to Certifiable or Emerging CDFIs, as defined in Table 5 of this NOFA, or Certified CDFIs that meet the SECA criteria in Table 3 of this NOFA but have not received FA awards after the FY 2008 funding round. In FY 2014, the CDFI Fund will also make FA awards for Healthy Food Financing Initiative (HFFI-FA) activities to Certified CDFIs that meet HFFI-FA requirements.

B. Program Regulations: The regulations governing the CDFI Program are found at 12 CFR Parts 1805 and 1815 (the Regulations) and provide guidance on evaluation criteria and other requirements. Details regarding Application content requirements are found in the Application and related materials. Capitalized terms are defined in this NOFA, the Regulations, or the Application. The CDFI Fund encourages

Applicants to review the Regulations in addition to this NOFA.

C. The CDFI Fund reserves the right to fund, in whole or in part, any, all, or none of the Applications submitted in response to this NOFA. The CDFI Fund also reserves the right to reallocate funds from the amount that is anticipated to be available through this NOFA to other CDFI Fund programs, particularly if the CDFI Fund determines that the number of awards made through this NOFA is fewer than projected.

D. *Coordination with Broader Community Development Strategies:* Consistent with Federal efforts to promote community revitalization, it is important for communities to develop a comprehensive neighborhood revitalization strategy that addresses neighborhood assets essential to transforming distressed neighborhoods into healthy and vibrant communities. Neighborhood transformation can best occur when comprehensive neighborhood revitalization plans embrace the coordinated use of programs and resources that address the interrelated needs within a community. Although not a requirement for participating in the CDFI Program, the Federal government believes that a CDFI will be most successful when it is part of, and contributes to, an area's broader neighborhood revitalization strategy.

II. Award Information

A. Funding Availability

1. **FY 2014 Funding Round:** Subject to funding availability, the CDFI Fund expects to award, through this NOFA, approximately \$179 million as indicated in the following table:

TABLE 1—FY 2014 FUNDING ROUND—CATEGORY AMOUNTS

Funding categories	Proposed total amount to be awarded (millions of dollars)
Category I/SECA	15
Category II/Core	126
TA	3
HFFI-FA	35
Total	179

The CDFI Fund reserves the right to award more or less than the amounts cited above in each category in the FY 2014 Funding Round, based upon available funding and other applicable factors.

In the recent past, Congress mandated that at least ten percent of the CDFI Program's appropriations be directed to

counties that meet certain criteria for "persistent poverty." This requirement continues under this NOFA. As a result, the CDFI Fund invites Applicants to indicate their level of participation in persistent poverty counties in their FY 2014 applications.

2. **Funding Availability for the FY 2014 Funding Round:** Funds for the FY 2014 Funding Round have not yet been appropriated; if Congress does not appropriate funds for the CDFI Program, there will not be a FY 2014 Funding Round. If funds are appropriated, the amount of such funds may be greater or less than the amounts set forth above. CDFIs that qualify for the Native American CDFI Assistance (NACA) Program are encouraged to apply for CDFI Program funds through this NOFA in case no funds are appropriated for the NACA Program.

All awards made through this NOFA must be used to support the Applicant's activities. Awards cannot be used to support the activities of, or otherwise be passed through, transferred, or co-awarded to, third-party entities, whether Affiliates, Subsidiaries, or others. The entity that is to carry out the responsibilities of the award and deploy the award funds (the Awardee) must be the entity that applies for the award. In the case where a CDFI bank-holding company Applicant intends to deploy its FA award through its 100 percent wholly-owned CDFI subsidiary bank, the Application must be made at the CDFI bank-holding company level and reflect consolidated activities and financial performance. Authorized representatives of both the holding company and the bank must certify that the information included in the Application represents that of the CDFI bank and that the award funds will be used to capitalize the CDFI bank for the activities outlined in the Application.

B. Types of Awards

An Applicant may submit an Application for a TA grant or an FA award, but not both. For purposes of this NOFA, "FA awards" include awards made using CDFI Program FA funds and awards made using HFFI-FA funds.

1. **FA Awards:**

FA awards provide flexible financial support to CDFIs so they may execute the organizational goals outlined in their Applications. FA awards can be used in the following five categories: (i) Financial Products; (ii) Financial Services; (iii) Development Services; (iv) Loan Loss Reserves; and (v) Capital Reserves, and can include up to 15 percent of the total award in Administrative Funds to carry out the
